

Chapter 5. Searching payment history and RA status

Searching payment history locates payments made to the provider and allows access to copies of the Remittance Advice (RA).

NOTE: Pharmacy RAs are not available through this feature.

5.1 Accessing search payment history

To access this feature:

1. Click on **Search Payment History** from the **My Home** page under **Provider Services** or within the **Claims** tab submenu. The **Search Payment History** screen will appear. This screen will prepopulate with the provider's information.

The screenshot displays the Nevada Department of Health and Human Services Provider Portal. At the top, the header includes the Nevada Department of Health and Human Services logo and the text 'Division of Health Care Financing and Policy Provider Portal'. A navigation bar contains links for 'My Home', 'Eligibility', 'Claims', 'Care Management', 'File Exchange', and 'Resources'. The 'My Home' section is active, showing a 'Provider' profile with fields for 'Provider ID' and 'Location ID'. Below the profile, the 'Provider Services' menu is visible, with 'Search Payment History' highlighted. A circled '1' is placed over the 'Search Payment History' link. The main content area features a 'Welcome Health Care Professional!' message, a photo of healthcare professionals, and a 'Contact Us' link. The footer contains contact information for the Nevada Medicaid Administration.

2. Search for payments by entering information in the appropriate fields. **Payment Method** and **Payment Type** default to "All." Fields with a red asterisk (*) are required. The **Check #/RA #** field is optional and can be either the check # or RA #. It must be numeric up to nine digits and exist within the specified date range.
3. Enter **Issue Date From** and **To** date. The date cannot span more than 90 days between the **From** and **To** dates, however you can search as far back as 6 months.
4. Click **Search**.
