

## Enrollment Termination Frequently Asked Questions (FAQs)

### 1. Why was I terminated as a Nevada Medicaid provider?

*You may have been terminated because you did not meet your revalidation date. In accordance with the Affordable Care Act, State Medicaid agencies must revalidate all provider types at least every five years with the discretion to revalidate providers on a more frequent basis. Nevada Medicaid has elected to require Durable Medical Equipment, Prosthetics, Orthotics and Disposable Medical Supplies (DMEPOS) providers to revalidate every three years.*

### 2. Why was I terminated prior to the CMS deadline of September 24, 2016?

*To ensure the CMS deadline was met, a date of September 19, 2016, was established for the termination of providers who have not revalidated.*

### 3. Will I still have access to the Electronic Verification System (EVS)?

### 7. How do I Re-enroll once I've been terminated?

*You may re-enroll and choose a back date to reduce any lapse of Nevada Medicaid enrollment. To do so please visit [www.medicaid.nv.gov](http://www.medicaid.nv.gov); under "Providers" choose "Provider Enrollment" and then choose "Online Provider Enrollment." We recommend you review the Provider Enrollment Information Booklet and the Checklist prior to completing an initial application. These documents have instructions to help you complete the initial application and minimize the likelihood of having the application returned for correction.*
