

# Nevada Medicaid Training Portal Learning Management System (LMS)

The Nevada Medicaid Learning Management System (LMS) is your training portal that will allow you to access all of your online and classroom-based learning activities and associated information.

You will be able to use the LMS to do the following activities:

- Browse Course Catalogs and self-enroll in Courses.
- Access and launch the Courses that you are enrolled in.
- View your personal calendar for at-a-glance reminders of your scheduled learning activities – both online and classroom-based.
- View and print the certificates you have earned.
- View your transcript of completed learning activities.

Username:

Password (case-sensitive):

To create an account, [register here](#).

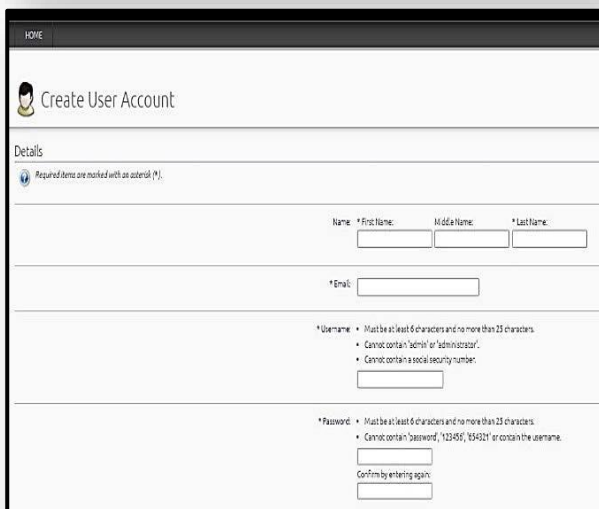

[I forgot my password](#).

## Register Today

Access the Nevada Medicaid Training Portal at <https://lms-nv.myhcplatform.com/>

In order for the Learning Management System to track, record and report learner activity, each learner must login with a unique username and password that identifies them within the system.

- Click the "Register here" link to display the registration form
