A Nevada Medicaid-certified physical or occupational therapist must provide a functional assessment for initial services. See the Functional Assessments heading for details.

Program overview

Refer to Nevada Medicaid Services Manual (MSM) Chapter 2600 Intermediary Service Organization and Chapter 3500 Personal Care Services Program for complete personal care services (PCS) policy and guidelines.

Questions?

If you have questions about the PCS program, please contact Nevada Medicaid (800) 525-2395. If you have billing questions, please contact the Customer Service Center at (877) 638-3472.

To stay current with policy and documentation updates, please visit the Nevada Medicaid website weekly (https://www.medicaid.nv.gov/) and read any messages posted on your Remittance Advice.

Covered services

Medicaid covers age-appropriate, medically necessary assistance for persons with certain disabilities and chronic conditions. This can include direct, hands-on assistance and/or instructions that help the recipient to independently perform:

- ADLs: Self-care activities routinely performed on a daily basis including but not limited to bathing, dressing, grooming, toileting, incontinence, transferring, ambulation and eating

  Bathing/Grooming/Dressing is one, all-inclusive service allowed up to 60 minutes per day:
  - IADLs: More complex life activities limited to light housekeeping, laundry, meal preparation and essential shopping

Non-covered services

Medicaid does not cover:

- Any service that is not a part of the recipient’s authorized service plan
- Duplicative services
- Services that could reasonably be performed by the recipient, a legally responsible adult or a willing caregiver
- Services that support household members other than the recipient, e.g., shopping must be directly related to the recipient’s needs only – shopping cannot be provided for the entire household
- Administrative functions (time spent on supervisory visits, scheduling, chart audits, surveys and review of service delivery records)
- Chore services (heavy household chores such as cleaning windows and walls, shampooing carpets, moving heavy furniture, minor home repairs and yard work)
- Companion care (babysitting, supervision, social visitation and pet care for non-service animals)
- Exercise
- Respite services (temporary relief for a household member, a family member or a caregiver from the responsibility of caring for the recipient)
Personal Care Services: Provider Agency and Intermediary Service Organization

- Skilled services (care that state statute or regulation mandates must be performed by a licensed or certified health care professional) except under the provisions of Self-Directed, Skilled PCS
- Travel time to and from the place where services are rendered
- Routine supplies (including but not limited to non-sterile gloves)
- Any other service not listed as a covered service in MSM Chapter 3500.

Prior Authorization

All PCS services require a prior authorization. To request a prior authorization, submit a prior authorization request on the Nevada Medicaid Provider Web Portal, with a completed form FA-24. This form and its instructions (FA-24-I) are on the Nevada Medicaid website.

A request for initial (first time) services must be submitted by one of the following individuals:
- The recipient
- The recipient’s personal care representative (this does not include a Personal Care Agency)
- The recipient’s legal representative

A request for re-certification, an update visit or a one-time service may be requested by any provider who has an established relationship with the recipient as defined by the Health Insurance Portability and Accountability Act (HIPAA).

Authorization does not guarantee payment of a claim. Payment is contingent upon eligibility, available benefits, contractual terms, limitations, exclusions, coordination of benefits and other terms and conditions set forth by the benefit program.

Providers may view prior authorization information online through the Electronic Verification System (EVS) at https://www.medicaid.nv.gov. For instructions on using EVS, see the EVS User Manual.

One-time services

Nevada Medicaid assigns a separate Authorization Number to approved, one-time services. When completing your claim, be sure to enter this Authorization Number.

A one-time service must be billed on its own claim. Do not include it on a claim that also lists services on the recipient’s service plan.

Billing instructions

The instructions that follow are specific to PCS providers and must be used in conjunction with the billing instructions provided in the Electronic Verification System (EVS) Chapter 3 Claims and the Transaction 837P Professional claim companion guide, which are posted on the Nevada Medicaid website at www.medicaid.nv.gov.

Recipients eligible for Medicaid and Medicare

Currently, Medicare does not provide coverage for HCPCS codes T1019 and A0160. If a recipient is eligible for both Medicare and Medicaid, you may bill Medicaid first. Do not write Bypass Medicare on your claim.
**Dates of service**

When entering the date(s) of service on the claim, dates on one claim line cannot span more than Sunday through Saturday of one calendar week.

Bill only for the dates when services were actually provided. If a service was provided on one day only, enter the same date in the From and To Date(s) of Service fields. If services were provided on Monday and also on Wednesday of the same week, but not on Tuesday, bill Monday and Wednesday individually on separate claim lines. Do not bill as one claim Monday through Wednesday or Sunday through Saturday, regardless if the authorization period is the full week.

**Place of service**

Enter 12 for place of service on the claim.

**HCPCS codes**

Enter one code (and modifier if applicable) per line as shown on your prior authorization approval letter.

- Use HCPCS code T1019 with modifier TF to bill for self-directed, skilled services (billable by provider type 83 only; use only when denoted on the recipient’s approved service plan)
- Use HCPCS code A0160 to bill for mileage
- All other PCS are billed with HCPCS code T1019 with no modifiers

**Units**

Enter the number of units you are billing for this claim line. Services are billed in 15-minute increments (15 minutes = 1 unit). Assessments are billed per occurrence (1 assessment = 1 unit). Mileage is billed in 1-mile increments (1 mile = 1 unit).

**Billing scenarios**

The scenarios on the following pages show how you would complete the claim in these scenarios only.

*When completing your claim, enter the information appropriate for the actual services you provided.*

**Scenario 1: Multiple authorization periods**

You are billing for PCS provided in August 2018. During this month, the recipient’s current authorization period ends and a new one begins as shown below.

<table>
<thead>
<tr>
<th>Authorization</th>
<th>Authorized dates</th>
<th>Authorization</th>

<tr>
<td>Authorization Period 2</td>
<td>August 14, 2018 – August 14, 2019</td>
<td>22222222222222</td>
</tr>
</tbody>
</table>

*Rule #1:* You may bill up to one calendar week of service per claim line (Sunday through Saturday).

*Rule #2:* You may bill only one calendar month of service per claim form.
Personal Care Services: Provider Agency and Intermediary Service Organization

Rule #3: You may enter only one Authorization Number per claim form.
Rule #4: You may bill only for authorized dates of service.

Proper billing

To bill for the month of August 2018, complete two claims.

- Claim 1 will list services provided from August 1-13, 2018 (dates approved under the first authorization period). This claim form will have three claim lines.
- Claim 2 will list services provided from August 14-31, 2018 (dates approved under the second authorization period). This claim form will have four claim lines.

Scenario 2: Self-directed skilled PCS

You are billing for self-directed skilled PCS as authorized on the recipient’s service plan.

<table>
<thead>
<tr>
<th>Authorized dates</th>
<th>Approved code/modifier</th>

<td>33333333333</td>
</tr>
</tbody>
</table>

Rule #1: You may bill up to one calendar week of service per claim line (Sunday through Saturday).
Rule #2: Billing for these services requires you to enter modifier TF after the T1019 procedure code in Field 24D.
Rule #3: You may bill only for authorized dates of service.

Proper billing

To bill for self-directed skilled PCS as authorized, complete one claim form with two claim lines.

- Claim Line 1 will list services provided from January 1-5, 2019 (the first calendar week of authorized service).
- Claim Line 2 will list services provided from January 6-12 (the second calendar week of authorized service).
