Targeted Case Management

The Targeted Case Management (TCM) program assists eligible recipients in the following eight target groups to gain access to medical, social, educational and other support services:

- Children and adolescents who are non-severely emotionally disturbed (non-SED) with a mental illness
- Children and adolescents who are severely emotionally disturbed (SED)
- Adults who are non-seriously mentally ill (non-SMI) with a mental illness
- Adults who are seriously mentally ill (SMI)
- Individuals with Intellectual Disabilities (IID) and related conditions
- Developmentally delayed (DD) infants and toddlers
- Juveniles on probation (JPS)
- Child protective services (CPS)

Non-covered services

The following services are not covered under the TCM program:

- Client outreach
- Crisis intervention services
- Direct delivery of medical or clinical services
- Grooming and other personal services
- Individual, group, family therapy services
- Services that should be billed to another federal program (e.g., TANF IV-E)
- Training for daily living, work and social skills
- Training for housekeeping, laundry, cooking
- Transportation services
- Travel to and from appointments

Refer to Nevada Medicaid Services Manual, Chapter 2500 for complete state policy on the TCM program, including required case record documentation in Section 2502.10A.

Fee for Service (FFS) billing instructions

All services are billed in 15-minute increments (one hour equals 4 units). Enter the total number of units for the claim line in Field 24G.

Non-TCM services must be billed on a separate claim.

Use HCPCS code T1017 with the appropriate modifier(s) as shown below:

- HA - Child/Adolescent program
- HB - Adult program, non-geriatric
- HI - Integrated mental health, intellectual disabilities and developmental disabilities program
- HU - Funded by child welfare agency
- HX - Funded by county/local agency
- HY - Funded by juvenile justice agency
- TN - Rural providers customary service area

Billing instructions

Providers may bill daily, weekly or monthly within timely filing guidelines.

Bill for dates that services were actually rendered. If services were rendered each day on the 1st first through the 5th of the month and also the 7th through the 10th, then bill the 1st through the 5th on one line and the 7th through the 10th on the next line.

Rates

Current rates are listed on the Division of Health Care Financing and Policy (DHCFP) website at http://dhcfp.nv.gov/Resources/Rates/RatesCostContainmentMain/.

Prior authorization requirements

TCM services do not require prior authorization.

Referrals

TCM services do not require a physician's referral.

Managed care SED/SMI recipients

A newly eligible recipient is not allowed to opt out or disenroll from the Managed Care Organization (MCO).

Recipients in areas where MCO enrollment is mandatory may disenroll from the MCO when determined as SED or SMI.

An MCO must submit a notification form to the DHCFP Managed Care Unit when/if:

- A recipient is determined as SED or SMI.
- A recipient determined as SED or SMI chooses to disenroll from the MCO. (If the recipient does not disenroll, the MCO must cover the services.)

To obtain a notification form, call the DHCFP Managed Care Unit at (775) 684-3708.
