Resources
The Division of Health Care Financing and Policy (DHCFP) provides Nevada Medicaid and Nevada Check Up policy, rates, public notices and more via their website at http://dhcfp.nv.gov.

MSM Chapter 100 provides general information for all Nevada Medicaid providers, including information on:
- Pursuing third party liability prior to billing Medicaid (MSM Chapter 100, section 104)
- Billing Medicaid prior to the stale date (MSM Chapter 100, section 104.1)
- Interim billing for extended services (MSM Chapter 100, section 105.1A)

Prior Authorization
All Rehabilitation Specialty and LTAC hospital services require prior authorization except for services provided to Medicare and Medicaid dual eligible recipients when the services are covered by Medicare and Medicare benefits are not exhausted. Reference MSM Chapter 100, section 103.

Claims will be denied if prior authorization is not obtained. See MSM Chapter 200, section 203 for complete authorization requirements.

Authorization is valid only for the date(s) specified. If the corresponding claim includes unauthorized dates of service, services provided on those dates cannot be paid.

Authorization does not guarantee payment of a claim. Payment is contingent upon eligibility, available benefits, contractual terms, limitations, exclusions, coordination of benefits and other terms and conditions set forth by the benefit program.

Requesting Prior Authorization
To request authorization:
- Complete and fax form FA-3 or FA-8 as appropriate to Magellan Medicaid Administration; or,
- Use the Online Prior Authorization System (OPAS) to complete/submit required information online.

Authorization requests must be received within the timeframes listed below.
- One business day if the recipient was Medicaid-eligible on the date of service.
- Five business days if the recipient was not Medicaid-eligible upon admission, but obtained retroactive eligibility during their stay.

On http://nevada.fhsc.com, Magellan Medicaid Administration provides information on many subjects including provider training, billing, pharmacy, prior authorization (PA), and provider appeal rights related to claims, PA determinations and PA reconsiderations.
If a recipient has been in the hospital for over 30 days when retroactive eligibility is determined, providers must:

- Submit clinical information in (at least) 30-day increments and
- Provide a weekly summary of the treatment plan for the date range(s) submitted.

- **Ninety calendar days** from the date of decision if the recipient obtained retroactive eligibility after discharge.

- **Concurrent authorization requests** must be received by the end date of the current/existing authorization period. If a concurrent authorization request is not received by the end date, a second authorization period, if clinically appropriate, can begin on the date Magellan Medicaid Administration receives a concurrent authorization request. Nevada Medicaid will not pay for unauthorized days between the end date of the first authorization period and the begin date of a second authorization period.

If Magellan Medicaid Administration requests additional clinical information to complete an authorization request, the additional information must be submitted within five days of request or a technical denial will be issued.

After receipt of complete information, Magellan Medicaid Administration will notify the provider of a determination within one business day for eligible recipients and within 30 days for discharged, retro-eligible recipients.

Additional clinical information that may alter the determination can be submitted to Magellan Medicaid Administration within five business days of the determination. This is called requesting ‘reconsideration.’

Magellan Medicaid Administration’s determination is based on clinically appropriate standards and may include approval, denial or level of care adjustment.

**Managed Care vs. Fee For Service**

When a recipient is enrolled in a Managed Care Organization (MCO), request prior authorization from and submit claims to the MCO. For recipients in the Fee For Service plan, prior authorization is requested and payment is issued through Magellan Medicaid Administration.

**Billing**

Use a UB-04 claim form (for paper submissions) or an 837I transaction (for electronic submissions) to bill Rehabilitation Specialty and LTAC Specialty services.

Billed services must match the approved authorization.

**Take Home Drugs**

Take home drugs are billed through the Point-of-Sale (POS) system using the hospital's Pharmacy NPI. Do not include take home drugs on your UB-04/837I claim.

See [MSM Chapter 1200](#) for Nevada Medicaid coverage and criteria for medications.

**Rates**

Covered days are paid at a provider specific per diem rate. General rate information is on the DHCFP website at [http://dhcfp.nv.gov](http://dhcfp.nv.gov). (Select Rates from the main menu.)

**Admit/Discharge/Death Notice**

Submit the [Admit/Discharge/Death Notice](#) (form 3058-SM) to the local Welfare District Office whenever a hospital admission, discharge, or death occurs. Failure to submit this form could result in payment delay or denial.
