

Chapter 11. Affiliated Providers

The Nevada Medicaid and Nevada Check Up Provider Web Portal (formerly EVS) allows providers, or their delegates, the ability to view all of the providers with which they are affiliated. Providers are encouraged to use this new tool to view their linkages and verify the information is accurate on a regular basis as linkages may change.

To access Affiliated Providers:

1. Log in to the Provider Web Portal (PWP).
2. On the “My Home” page, under Provider Services click the “Affiliated Providers” link. You can also access Affiliated Providers using the “Affiliated Providers” link under the Resources tab.
