

Chapter 2. Eligibility benefit verification

The Eligibility Benefit Verification function in EVS is used to confirm member eligibility. The logged in user is able to request eligibility confirmation for the Nevada Medicaid and Nevada Check Up program as well as Managed Care Organizations (MCO) and Third Party Liability (TPL).

The eligibility request is sent to the Nevada Medicaid Management Information System (MMIS) and the response screen returns the requested information, if the recipient is eligible. The information in EVS is updated daily from NV MMIS. EVS can return recipient eligibility for the present month or for up to six years in the past.

2.1. Verifying eligibility

To access Eligibility, you will need to log in and navigate to the My Home page. To perform an eligibility verification request in EVS, all of the following are required:

- An 11-digit Recipient ID, nine-digit SSN, or Last Name and First Name
- Birth Date when searching by nine-digit SSN, or Last Name and First Name
- Effective Date

To access the eligibility request:

1. Click the **Eligibility** tab on the My Home page.

The screenshot shows the Nevada Department of Health and Human Services Provider Portal. The header includes the department name and logo, with links for 'Contact Us' and 'Logout'. A navigation bar contains 'My Home', 'Eligibility', 'Claims', 'Care Management', 'File Exchange', and 'Resources'. The 'Eligibility' tab is highlighted and circled with a '1'. Below the navigation bar, the 'My Home' section displays provider information: 'Name: County Hospital Outpatient', 'Provider ID', and 'Location ID: 003'. There are links for 'My Profile' and 'Manage Accounts'. The 'Provider Services' section lists various options: 'Member Focused Viewing', 'Search Payment History', 'Revalidate-Update Provider', 'Pharmacy PA', 'PASRR', 'EHR Incentive Program', 'EPSDT', and 'Presumptive Eligibility'. A central banner reads 'Welcome Health Care Professional!' with an image of healthcare workers. To the right, there are links for 'Contact Us' and 'Secure Correspondence', along with contact information for Nevada Medicaid Administration. A paragraph of text states the portal's commitment to ease of use for providers. At the bottom, there are links for 'Prior Authorization Quick Reference Guide' and 'Provider Web Portal Quick Reference Guide', both marked as 'Review'.

The Eligibility Verification Request page displays.

2. Enter member information. All fields with a red asterisk (*) are required.

Under coverage, the detail may display MEDICAID FFS or CHECK-UP FFS. This verifies that the recipient is eligible to receive basic Nevada Medicaid or Nevada Check Up benefits.

All members are eligible for the MEDICAID FFS or CHECK-UP FFS benefit plan with three exceptions:

- When the XIX Emergency coverage plan is listed. Medicaid FFS benefits are restricted to emergency services only.
- When just the MED PREMIUM or the PRT MED PREMIUM coverage plan is listed. Medicaid contributes to the member’s Medicare premium only. The member is not eligible for other benefits.
- When just the MED CO & DED coverage plan is listed. Medicaid pays the member’s Medicare coinsurance and deductibles only. The member is not eligible for other benefits.

Many members in Nevada are required to be enrolled in an MCO program. EVS displays MEDICAID FFS or CHECK-UP FFS and an MCO coverage plan to indicate that a member is enrolled in a MCO.

- ✍ When a member is enrolled in an MCO, emergency services are covered by the MCO even if emergency services are provided outside of the MCO provider network.

This hyperlink is located in the same area on all screens within EVS.

After clicking on **Logout**, you will see a Logout Confirmation screen.
