

Provider Enrollment Checklist for Provider Type 48

Home and Community Based Services Waiver for the Frail Elderly

Specialty 039: Homemaker Services

Homemaker services are provided when the individual regularly responsible for homemaker activities is temporarily absent or unable to manage the home. Homemaker services are provided by agencies under contract with the Division of Health Care Financing and Policy (DHCFP). Homemaker services include general cleaning; shopping for food and needed supplies; planning and preparing varied meals; washing, ironing and mending the recipient's personal laundry; accompanying the recipient to homemaker activities such as shopping or the laundromat; and routine clean-up after up to two household pets.

The following is a list of required enrollment documents for this provider type.

All three pages of this checklist must be completed and submitted with the other required document(s) for your enrollment or revalidation.

Failure to submit a complete application which includes all three pages of this checklist will delay an enrollment decision.

If you have any questions, please contact Provider Customer Service at (877) 638-3472 from 8:00 a.m. to 5:00 p.m. Monday through Friday.
