Pharmacy Announcement

Updated Payment Algorithm for Brand Name Medications

Effective dates of service on and after December 2, 2011, Nevada Medicaid has updated the payment algorithm for the following drugs: Duragesic®, Plavix®, Lipitor®, Seroquel®, Lovenox®, Requip XL®, Abilify®, Geodon® and Seroquel XR®. These brand name drugs will pay at the updated “Lesser-of Logic” algorithm.

Claims for brand name medications that were adjudicated before the update will be reprocessed automatically at a later date to reimburse pharmacies the balance due. Please do not resubmit these claims.
