Pharmacy Announcement

## **Viekira Pak® Notification**

Viekira Pak® for the treatment of Hepatitis C is a covered benefit of Nevada Medicaid for recipients who meet the criteria for coverage. Prior authorization criteria for Viekira Pak were approved by the Drug Use Review Board on April 23, 2015. The criteria include FDA approved indications and commonly accepted treatment guidelines (such as AASLD guidelines at <http://www.hcvguidelines.org/>). These criteria will be utilized for prior authorizations for Viekira effective July 1, 2015. For information or prior authorization, call (855) 455-3311 or fax (855) 455-3303.

The initial prescription for Viekira Pak must be for a two weeks' supply. Subsequent refills can be up to 28 days.
