HP to present overview at Nevada Medicaid Conference

In its second quarter 2011 Newsletter, Volume 8, Issue 2, dated July 22, 2011, Magellan Medicaid Administration announced that Hewlett Packard (HP) will be taking over the contract as fiscal agent for the Division of Health Care Financing and Policy (DHCFP). During the annual Nevada Medicaid Conference in October, HP will present an organizational overview, describe services, and provide the training schedule and registration information.

Pamela Swiz Pascal, HP Account Executive, will present the history of HP's experience in the Medicaid industry to ensure providers have confidence in HP's ability to conduct a smooth, seamless transition.
