

Nevada Medicaid

Trading Partner Fully Certified Report with New Modernized System

Report As Of: 2/11/2019

The following Trading Partners have passed SNIP 4 compliance testing and are considered **fully certified** with Nevada Medicaid on all applicable Electronic Data Interchange (EDI) batch transactions with the new Nevada Medicaid Modernized System at the time of go-live on February 1, 2019. These Trading Partners selected which EDI transactions to enroll and certify with Nevada Medicaid on to exchange the applicable transactions with the new Nevada Medicaid Modernized System. Please reach out to your Trading Partner if they are not listed on this report to avoid any interruption in services with the implementation of the new modernized system on February 1, 2019.

Key:

- An “X” in the above table indicates that the batch transaction that the Trading Partner has enrolled in has been fully certified with Nevada Medicaid, so they can submit transactions with the new modernized system.
- The cells highlighted in grey, in the above table, reflects EDI transaction sets for which the Trading Partner did not enroll with Nevada Medicaid on, so they would not be applicable for that trading partner at this time.
- EDI Batch Transaction Descriptions:
 - **Transaction 270/271:** Health Care Eligibility Inquiry and Response
 - **Transaction 276/277:** Health Care Claim Status Inquiry and Response
 - **Transaction 835:** Health Care Payment/Advice
 - **Transaction 837D:** Dental Health Care Claim/Encounter
 - **Transaction 837I:** Institutional Health Care Claim/Encounter
 - **Transaction 837P:** Professional Health Care Claim/Encounter

**Please refer to the [Electronic Claims/EDI page](#) on the Nevada Medicaid Website for further details.*
