Announcement 1078

Urgent Update for Provider Type 85 Regarding Denials of Telehealth Services Claims

Update to Web Announcement 1048: HCPCS code Q3014 (Telehealth originating site facility fee) billed by Applied Behavior Analysis (ABA) provider type 85 (specialties 000, 310, 311, 312 and 314) will deny with edit code 0148 (Rendering provider not certified to perform procedure) until the code is updated in the Medicaid Management Information System (MMIS), upon approval from the Centers for Medicare & Medicaid Services (CMS).

Please submit your claims as usual even though they will deny. You do not need to resubmit the claims after they deny, because the affected claims will be automatically reprocessed. Providers will be notified in future web announcements when the code is updated and the claims will no longer deny, and when the claims will be reprocessed.
