Rate Increases for Indian Health Services Providers

Federally mandated rate increases have been implemented for inpatient and outpatient services rendered by Indian Health Services (IHS) providers effective Jan. 1, 2006. Previously adjudicated claims with dates of service on or after Jan. 1, 2006, that were affected by these increases have been adjusted to the new rates. Any adjustments were reported on your Remittance Advice dated Oct. 20, 2006.

Nevada Medicaid and Nevada Check Up provider types (PT) affected by the rate increases are Special Clinics (PT17); Healthy Kids Screening (PT31); IHS and Tribal Clinics (PT47); IHS Hospital, Inpatient (Tribal) (PT51); IHS Hospital, Outpatient (Tribal) (PT52); IHS Hospital, Inpatient (Non-Tribal) (78); and IHS Hospital, Outpatient (Non-Tribal) (PT79).
