Reimbursement Change for Lab/Pathology Services

State Plan Amendment (SPA) 05-003 changed the reimbursement methodology for some laboratory/pathology services codes in the 80000 through 89999 Current Procedural Terminology (CPT) code range effective July 1, 2005. Per the methodology, rates have been updated in the Medicaid Management Information System (MMIS).

Claims submitted for dates of service on or after July 1, 2005, through and including Oct. 1, 2006, that were affected by the reimbursement change will be adjusted. Not all provider types are affected by this change.
