The Division of Health Care Financing and Policy (DHCFP) is implementing a new, modernized Medicaid Management Information System (MMIS) on February 1, 2019. As you prepare for the new MMIS, please be advised providers need to submit claims with the **prior authorization number** for the service rendered. It is recommended that you update your billing now to include the prior authorization number. Claims received on or after February 1, 2019, will be denied if the claim is not submitted with your prior authorization number.

Please refer to the 837P – Professional Health Care Claim Companion Guide on the Providers Electronic Claims/EDI webpage (<https://www.medicaid.nv.gov/providers/edi.aspx>) and the Electronic Verification System (EVS) Chapter 3 Claims on the EVS User Manual webpage (<https://www.medicaid.nv.gov/providers/evsusermanual.aspx>) for billing instructions.

If there are any questions, please do not hesitate to contact Nevada Medicaid.
