Web Announcement 1818

Modernization: Reminder for All Providers: Use Current Procedure, Diagnosis and Value/Condition Codes on Claims

The Division of Health Care Financing and Policy (DHCFP) will implement a new, modernized Medicaid Management Information System (MMIS) on February 1, 2019. Providers are reminded to follow National Uniform Billing Committee (NUBC) billing requirements and use current and correct procedure codes, diagnosis codes, ICD-10 codes, and value/condition codes on claims. Be sure the value and procedure codes have not been end dated by the Centers for Medicare & Medicaid Services (CMS).

For further information visit the NUBC website (www.nubc.org) or the CMS website (www.cms.gov).

If there are any questions, please do not hesitate to contact Nevada Medicaid.
