## Modernization: Important Information and Dates All Trading Partners Need to Know to Prepare for Go-Live

The Division of Health Care Financing and Policy (DHCFP) will implement the new, modernized Medicaid Management Information System (MMIS) on February 1, 2019.

### Important Information and Reminders:

- Existing associations between providers and Trading Partners (TP) will be migrated to the new, modernized MMIS. The association's 4-digit Trading Partner ID (also known as the Service Center ID) will be replaced with the Trading Partner's new 8-digit TP ID.
- Associations **will not** be migrated for any Trading Partner that did not enroll by January 25, 2019. Also, associations **will not** be migrated for providers currently using the Payerpath software. Providers will have to manually re-enter these associations through the Provider Web Portal (PWP) beginning February 1, 2019. Instructions for adding a Trading Partner can be found in the EVS User Manual Chapter 1 updated for MMIS modernization, located at: <https://www.medicaid.nv.gov/providers/evsusermanual.aspx>.
- Trading Partners that enrolled and completed certification for the new modernized MMIS can be viewed under Helpful Resources on the Modernization Project webpage at: <https://www.medicaid.nv.gov/providers/Modernization.aspx>.
- Paper EDI enrollment forms are no longer accepted. The Trading Partner enrollment process can be completed online starting January 29, 2019, at the following location: <https://www.medicaid.nv.gov/hcp/provider/Home>.

A step-by-step description of the enrollment process can be found in the Trading Partner User Guide at <https://www.medicaid.nv.gov/providers/edi.aspx>.

- Trading Partners who enrolled to use the modernized MMIS by January 25, 2019, will not have to re-enroll at go-live.
- Trading Partners who registered for the Provider Web Portal as part of certification testing must re-register in the new MMIS Production environment beginning January 29, 2019. Registration can be completed at <https://www.medicaid.nv.gov/hcp/provider/Home>. The same username and password can be selected as was used during certification testing. **Registration for the Provider Web Portal is mandatory for Trading Partners who submit/receive real-time transactions.**

### Important Dates:

- **January 24, 2019:** The last day to submit or receive electronic transactions using the 4-digit TP ID, also known as the Service Center ID. Transactions must be completed by 4:00 p.m. Pacific Time.
- **January 25, 2019, through January 31, 2019:** The period during which Trading Partners will not be able to submit claims.
- **January 29, 2019:** Trading Partners may begin enrolling and registering again on the PWP located at: <https://www.medicaid.nv.gov/hcp/provider/Home>

- **February 1, 2019:** The implementation date for the new, modernized MMIS system. Trading Partners must use their 8-digit Trading Partner ID to submit and receive electronic transactions in the Production environment.
