Attention Provider Type 63 (Residential Treatment Centers):

Reminder Regarding All-Inclusive Daily Rate

Nevada Medicaid's all-inclusive Residential Treatment Centers (RTC) daily rate includes:

- room and board
- active treatment
- psychiatric services
- psychological services
- therapeutic and behavioral modification services
- individual, group, family, recreation and milieu therapies
- nursing services
- all medications
- quarterly RTC-sponsored family visits
- psycho-educational services and supervised work projects

The above services are not to be billed separately and doing so may result in the RTC claim being denied.

The all-inclusive daily rate does not include the following:

- general physician (non-psychiatrist) services
- neuropsychological services
- dental services
- optometry services
- durable medical equipment
- radiology services
- lab services
- therapies (physical, speech and occupational)
- formal educational services

These services are Medicaid benefits and must be billed separately by the particular service provider. These services may also require prior authorization.

Additional information can be found in the [Medicaid Services Manual \(MSM\) Chapter 400 - Mental Health and Alcohol and Substance Abuse Services](#).
