Web Announcement 1855

Update Regarding Rates for the 2019 New Codes

Update to [Web Announcement 1767](#): The 2019 annual code updates were added to the Medicaid Management Information System (MMIS) on December 31, 2018. The corresponding rates will be updated at a later date. For dates of service on or after January 1, 2019, when applicable, please use the appropriate new 2019 Current Procedural Terminology (CPT), Healthcare Common Procedure Coding System (HCPCS) and American Dental Association (ADA) codes.

Any claims for the new codes that are denying due to the corresponding rates not being updated in MMIS will be automatically reprocessed at a later date. A future web announcement will notify providers when the rates have been updated and when the impacted claims are reprocessed. It is not necessary to resubmit or appeal the denied claims.
