# Web Announcement 205

## Provider Type 12 Only: HCPCS Code G0378 for Hospital Observation Service

Effective immediately, Healthcare Common Procedure Coding System (HCPCS) code G0378 must be used by Provider Type 12 (Hospital, Outpatient) to bill for hospital observation service, per hour. Provider Type 12 may no longer report observation service by using Current Procedural Terminology (CPT) codes 99234, 99235 and 99236.
