## **Addition of OneTouch® Blood Glucose Meter to Preferred Nevada Medicaid Diabetic Supply Program**

OneTouch® has provided notification of the discontinuation of the OneTouch Verio® blood glucose meter, NDC 53885-0657-01, effective August 28, 2020.

In order to provide continuity of care, OneTouch Verio Reflect® blood glucose meter, NDC 53885-0927-01, has been added to the preferred diabetic supply list for Nevada Medicaid Fee-for-Service recipients. OneTouch® Ultra®, OneTouch® Verio® and Trividia True Metrix® continue to be preferred products for meters and test strips.
