Web Announcement 2548

Immunization Administration Claims that Denied with Error Code 0708 Reprocessed

Update to [Web Announcement 2439](#): When claims for the procedure codes listed below were automatically reprocessed because they denied in error with error code 0708 (HCPCS procedure requires a valid National Drug Code), some claims may have been suspended.

- 90460 - Immunization Administration through 18 years of age; first vaccine/toxoid component (Bill at the usual and customary charge)
- 90471 - Vaccine Administration – Single
- 90473 - Immune Admin oral/nasal
- 90474 - Immune Admin oral/nasal additional

Impacted claims for these procedure codes were processed on or after October 19, 2020, through December 7, 2020. A second claim reprocessing effort has been completed to adjudicate the suspended claims. Results of the second reprocessing effort appear on remittance advices dated July 23, 2021.

Please note: When claims are reprocessed, all system and clinical claim editor revisions are applicable. As a result, there may not be additional payments, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
