Web Announcement 2622

Attention All Providers: Please Participate in Health Information Technology (HIT) Survey by November 29, 2021

Providers who use and do not use the Electronic Health Records (EHRs) and/or Health Information Exchange (HIE) are being asked to participate in a short survey to provide critically important information regarding the Health Information Technology (HIT) environment. The information collected will guide the development of initiatives to improve the health of all Nevadans.

The survey is confidential, requires no commitment and should take less than 10 minutes. **Please respond by Monday, November 29, 2021.**
