Web Announcement 262

Update on 2009 CPT, HCPCS and CDT Codes: Affected Claims Have Been Reprocessed

Providers were previously notified that the 2009 Current Procedural Terminology (CPT), Healthcare Common Procedure Coding System (HCPCS) and Current Dental Terminology (CDT) codes were updated in the Medicaid Management Information System (MMIS) effective with dates of service on and after Jan. 1, 2009. See Web Announcements 251 and 256 on this website for details and the lists of the codes.

Any claims with dates of service on and after Jan. 1, 2009, that denied because the 2009 codes were not in MMIS, have been reprocessed. The adjudications of any affected claims appear on remittance advices dated May 1 and/or May 22, 2009.
