Web Announcement 2646

Attention Provider Type 17 (Special Clinics) Specialty 188 (Certified Community Behavioral Health Center):

Medication-Assisted Treatment (MAT) for Opioid Use Disorder (OUD) Services May Be Billed

Effective with dates of service on or after October 1, 2021, provider type 17 (Special clinics) specialty 188 (Certified Community Behavioral Health Center (CCBHC)) may bill the following Medication-Assisted Treatment (MAT) procedure codes to provide services to recipients for Opioid Use Disorder (OUD):

- Office consultation for a new or established patient codes 99241, 99242, 99243, 99244, 99245
- Prolonged evaluation and management or psychotherapy codes 99354 and 99355

CCBHC providers must bill these codes with the Q2 modifier, the U5 modifier and the corresponding OUD diagnosis code. Please bill within timely filing requirements.

The CCBHC Allowable Services grid and the FQHC-CCBHC Allowable Services grid have been updated with these MAT OUD services procedure codes. The grids are posted on the [Providers Billing Information](#) webpage next to the PT 17 Specialty 188 Billing Guide.
