Web Announcement 2721

Update: Medication-Assisted Treatment (MAT) Services with an Opioid Use Disorder (OUD) Diagnosis Must Be Billed with Modifier U5

As providers were notified in [Web Announcement 2590](#): Medication-Assisted Treatment (MAT) services with an Opioid Use Disorder (OUD) diagnosis must be billed with modifier U5 on the same detail line.

Update: The effective date for MAT services claims with an OUD diagnosis to deny with error code 5682 (1 unit allowed per 6 rolling months – PA override) if modifier U5 is not included has been changed to claims processed on or after February 22, 2022. Due to technical issues, the claim denials did not begin on September 21, 2021, as Web Announcement 2590 reported.
