Web Announcement 2810

Website Changes Will Reflect Pharmacy Benefits Management Transition Effective July 1, 2022

On July 1, 2022, when Magellan Medicaid Administration (MMA) assumes the administration of Pharmacy Benefits Management on behalf of the State of Nevada Department of Health and Human Services, Division of Health Care Financing and Policy (DHCFP) for Nevada Medicaid Fee-For-Service, providers will obtain pharmacy benefit related announcements and billing information from the MMA website (<https://nevadamedicaid.magellanrx.com/home>) instead of the [Nevada Medicaid provider website](#).

The current Pharmacy information webpages on the [Nevada Medicaid provider website](#) will be archived for providers to reference and will provide a link to the MMA website. The "Pharmacy" tab at the top of the Nevada Medicaid provider website will provide a drop-down option titled "Pharmacy Archive" that will open the archive webpage. The "Pharmacy" tab will also have a drop-down option titled "Magellan Medicaid Administration (MMA)" that will link to the MMA website, which will provide access to Pharmacy Web PA and pharmacy benefit related announcements and billing information.
