Claims for Chemotherapy and Administration Related Codes Denied in Error

Update to [Web Announcement 2639](#): Chemotherapy and administration related procedure codes 96367, 96368, 96370, 96371, 96375, 96376, 96411, 96415, 96417 and 96423 that denied in error with error codes 6510 (Add-on code billed without paid primary within 2 days) and 6511 (Add-on code billed without paid primary) have been reprocessed automatically. The claims that denied with error code 6510 were processed on or after November 23, 2021, through December 13, 2021. The claims that denied with error code 6511 were processed on or after February 1, 2019, through December 13, 2021.

Results of denied claims that were reprocessed automatically appear on remittance advices dated August 5, 2022.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
