Web Announcement 2920

Attention Some Waiver Providers: Updates to Error Codes 5041, 5042 and 5048

Some claims submitted by the following provider types (PT) paid in error if the recipient was inpatient and Medicare eligible on the date of service:

- PT 38 (Waiver for Individuals with Intellectual and Developmental Disabilities)
- PT 48 (Home and Community Based Waiver for the Frail Elderly)
- PT 57 (Home and Community Based Waiver for the Frail Elderly in Residential Facilities for Groups)

Effective with dates of service on or after October 10, 2022, these claims submitted by the above provider types will deny with the following error codes:

- Error code 5042 (Possible conflict: provider type 38 waiver for IID and related condition vs other)
- Error code 5041 (Possible conflict: provider type 48 HCBS vs inpatient/long term care)
- Error code 5058 (Possible conflict: provider type 57 vs others)

Previously adjudicated claims will not be reprocessed automatically as this is a go-forward change.
