Web Announcement 2939

Attention Provider Types 19 (Nursing Facility) and 65 (Hospice, Long Term Care):

State Fiscal Year 2023 Quarter 2 Rate Updates Implemented

The State Fiscal Year (SFY) 2023 quarter 2 rate updates have been implemented in the Medicaid Management Information System (MMIS) for free-standing nursing facilities for standard bed day services. The impacted provider types (PT) are 19 (Nursing Facility) and 65 (Hospice, Long Term Care). The updated rates are effective on claims with dates of service on or after October 1, 2022.

Any claims submitted by PT 19 or PT 65 with dates of service on or after October 1, 2022, through claims processed prior to November 7, 2022, that paid the previous rates will be automatically reprocessed to adjudicate with the SFY 23 quarter 2 rates. A future remittance advice will report the results of the reprocessed claims.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
