Nevada Medicaid Centralized Credentialing Workshop for Providers - Scheduled January 30, 2023

Please join the Nevada Medicaid Centralized Credentialing Workshop for providers at 11 a.m. Monday, January 30, 2023. The purpose of the virtual workshop is to inform Nevada Medicaid providers regarding the State of Nevada's intent to alleviate the duration and burden of the credentialing process through a Credentialing Verification Organization (CVO), who will conduct one streamlined credentialing process for Fee-For-Service (FSS) and managed care organizations. Nevada Medicaid will be sharing additional information and is interested in learning directly from providers of their experience with credentialing.
