**Nevada Medicaid Web Announcement 3029**

**Attention Provider Types 24 (Advanced Practice Registered Nurses) and 74 (Nurse Midwife):**

**Update Regarding Rates per the Nevada State Plan**

Claims submitted by provider types (PTs) 24 (Advanced Practice Registered Nurses) and 74 (Nurse Midwife) for the procedure codes listed below may not have paid correctly per the Nevada State Plan.

Effective on claims with dates of service on or after February 6, 2023, the rates for the procedure codes listed below have been updated in the Medicaid Management Information System (MMIS) to pay the correct rates.

Claims will not be reprocessed as these rate updates are go-forward changes.
