Licensed Clinical Professional Counselors and Interns Recognized as Qualified Mental Health Professional Level Providers

The Division of Health Care Financing and Policy (DHCFP) recognizes Licensed Clinical Professional Counselors (LCPC) and Clinical Professional Counselor Interns (CPC-I) as Qualified Mental Health Professional (QMHP)-level providers.

In order to render QMHP-level services, LCPCs and interns must [enroll](#) as Nevada Medicaid QMHP providers under provider type 14 (Behavioral Health Outpatient Treatment) or provider type 82 (Behavioral Health Rehabilitative Treatment).

Please refer to the [Medicaid Services Manual \(MSM\) Chapter 400](#) for State policy regarding service descriptions, provider qualifications, provider responsibilities and clinical documentation requirements.
