**Nevada Medicaid Web Announcement 3331**

## **Attention Provider Type 64 (Hospice): Claims Reprocessed in Order Received by Nevada Medicaid**

Update to [Web Announcement 3203](#): When claims submitted by provider type 64 (Hospice) with revenue code 0650 were reprocessed automatically, the claims were not reprocessed in the order they were received by Nevada Medicaid and may not have adjudicated correctly. The impacted claims had dates of service and processing dates on or after February 1, 2019, through May 16, 2023. To adjudicate the claims correctly, the claims have been reprocessed a second time and in receipt date order.

Results of the second claim reprocessing effort appear on remittance advices dated April 19, 2024. When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
