Nevada Medicaid Web Announcement 3333

Attention Provider Types 19 (Nursing Facility) and 65 (Hospice, Long Term Care):
Update Regarding Claims Impacted by State Fiscal Year 2024 Quarter
3 Rates

When the State Fiscal Year (SFY) 2024 quarter 3 rate updates were implemented in the Medicaid Management Information System (MMIS) for free-standing nursing facilities for standard bed day services, some rates effective January 1, 2024, were provided incorrectly. The impacted provider types (PTs) are 19 (Nursing Facility) and 65 (Hospice, Long Term Care).

Any claims submitted by PT 19 or PT 65 with dates of service on or after January 1, 2024, through claims processed prior to February 15, 2024, that paid incorrectly have been reprocessed automatically. Results of the reprocessed claims appear on the remittance advice dated April 19, 2024.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
