*PT 17 specialties 180, 181, 182 and 188 and PT 47 providers must bill the vaccine administration codes with modifier Q2. The claim will pay according to the established encounter rate and the vaccine administration code will pay at \$0 as the service is included in the encounter reimbursement.

Any claims for the procedure codes listed in Table 1 submitted by the provider types listed in Table 2 on or after the effective dates listed in Table 1 that denied will be reprocessed automatically at a later date, if needed. Results of any reprocessed claims will appear on a future remittance advice.

When claims are reprocessed or released for adjudication, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
