Nevada Medicaid Web Announcement 3607

Urgent Announcement for Provider Type 85 (Applied Behavior Analysis): Survey Responses Requested by April 25, 2025

The Nevada Legislature is requesting two pieces of information from provider type 85 (Applied Behavior Analysis (ABA)) regarding ABA services. Please answer the following questions by either completing [this survey](#) or emailing the answers to Rates@DHCFP.nv.gov by **April 25, 2025**.

Survey questions:

- What is the average time between the steps of the process from an evaluation to diagnoses to treatment?
- What is the average number of patients on a waitlist for ABA (Applied Behavior Analysis) services?
