Nevada Medicaid Web Announcement 3608

Attention Provider Type 33 (Durable Medical Equipment, Prosthetics, Orthotics and Supplies):

Submittals With Excluded Individuals or Entities Will Deny

Per 42 CFR 1001.1901, direction has been given that when Durable Medical Equipment (DME) providers are requesting reimbursement by state and federal programs, it is the provider's responsibility to ensure individuals in their employ are not on the [Exclusion List](#). If an individual or entity is on this list, requests are required to be denied. Services furnished by an excluded individual or entity, or under the medical direction or on the prescription of an excluded physician or other authorized individual after the effective date of the exclusion will deny.
