Nevada Medicaid Web Announcement 3613

Attention Provider Type 47 (Indian Health Services and Tribal Clinics): Encounter Code T1502 Open for Billing

Effective January 1, 2025, provider type (PT) 47 (Indian Health Services (IHS) and Tribal Clinics) may bill encounter code T1502 (Medication Admin Visit) without limit to allow pharmacy visits to be reimbursed separately from other encounters. As a reminder, IHS, tribal clinics, and Tribal FQHCs have a limit of 5 encounters per day per recipient for encounter code T1015. Encounter code T1502 has no limit to ensure that recipients receive all needed prescriptions.

No claims will be reprocessed automatically. Providers should resubmit claims with encounter code T1502.
