Nevada Medicaid Web Announcement 3639

Attention Provider Type 13 (Psychiatric Hospital, Inpatient): Update Regarding Acute Hospital Rates

Correction to [Web Announcement 3524](#). The rate adjustment for provider type (PT) 13 (Psychiatric Hospital, Inpatient) described in this web announcement is not in effect. The revenue codes billed by PT 13 should continue to pay at the rates they were prior to January 1, 2025.

The rates for these codes will be updated when the Division of Health Care Financing and Policy (DHCFP) receives approval from the Centers for Medicare & Medicaid Services (CMS). A future web announcement will be posted when the rates have been implemented.
