Nevada Medicaid Web Announcement 3643

Attention All Providers: New Training for Electronic Health Records (EHR) Available

Nevada Medicaid has posted a pre-recorded training and slide deck to help providers meet the requirements of Assembly Bill 7 of the 2023 Nevada Legislature. **All health care providers and medical facilities are required to maintain health records electronically and allow patients direct access to those records electronically with the ability for the patient to send those records to anyone they choose.** The new slide deck and training materials regarding compliance can be found at the bottom of the right-hand column on the [Electronic Health Information Advisory Group website](#).

For your convenience, here are the direct links:
