Nevada Medicaid Web Announcement 3679

Attention All Providers: Forms Updated Per Medical Record Documentation Policy

Per Medicaid Services Manual (MSM) [Chapter 100 – Medicaid Program](#), Section 103.13, any medical record that consists of multiple pages requires the following information on each page:

- Recipient's name
- Date of service
- Page number

Per MSM Chapter 100, forms with multiple pages have been updated to add fields for the recipient's name and the date of service to each additional page. All forms are available on the [Forms](#) webpage of the Nevada Medicaid Provider website.

Effective immediately, please use the updated forms. As a reminder, providers are required to use the most current forms when submitting documentation to Nevada Medicaid. Effective August 1, 2025, any prior authorization request submitted on a previous form version will be issued a technical denial.
