Nevada Medicaid Web Announcement 3691

Attention All Providers: Follow Documentation Requirement When Writing Orders for Durable Medical Equipment, Prosthetics, Orthotics and Disposable Medical Supplies (DMEPOS)

The Division of Nevada Medicaid would like to remind providers to review the information listed in [Web Announcement 3609](#) when writing orders for patients to receive Durable Medical Equipment, Prosthetics, Orthotics and Disposable Medical Supplies (DMEPOS). Incomplete documentation **listed on each page of a record that contains multiple pages** can result in the denial of Medicaid-billable services for patients. This includes listing the recipient's name, date of service, and the page number.

Please reference [Medicaid Services Manual \(MSM\) Chapter 100 – Medicaid Program](#), section 103.13.
