Nevada Medicaid Web Announcement 3710

Attention Hospice Provider Types 64 (Hospice) and 65 (Hospice, Long Term Care):

Reminder Regarding Requirements for the Hospice Program Election Notice, Forms FA-92 and FA-93

Friendly reminder: A newly signed Hospice Program Election Form is required for each hospice certification request. Providers cannot use a previously signed Program Election Form signed for subsequent certification requests.

Prior authorizations submitted without a newly signed form will be pended back for an updated signature. Providers not using the current version of the FA-92 or FA-93 form will be technically denied per [Web Announcement 3679](#).

To ensure you are utilizing the most current authorization forms:

- Review current forms on the Medicaid site under Hospice Forms
