

Changes made to coverage of OneTouch® meters and test strips, effective 9/15/2025

Effective 9/15/2025, OneTouch® test strips and meters will no longer be included as preferred products. In their place, Accu-Chek® test strips and meters will be added to the Diabetic Supply Preferred Product List (DPPL). Additionally, True Metrix® test strips and meters will continue to be available as preferred options. Refer to the table below for specific product information.

From 9/15/2025 to 12/31/2025, a single transition fill (up to one month supply only) will be permitted for recipients currently receiving OneTouch® test strips.

Product Class	Product Name	NDCs	Background and Explanation of Policy Changes, Clarifications and Updates
