Nevada Medicaid Web Announcement 3754

Attention All Providers: Enrollment Application Will Only Be Accepted Through the Provider Flex Enrollment Tool

Nevada Medicaid and our fiscal agent, Gainwell Technologies, fully launched Provider Flex, our streamlined, intuitive, integrity-based provider enrollment solution for all providers on July 8, 2025.

Providers are directed to submit all applications through Provider Flex, as applications submitted through the legacy Online Provider Enrollment (OPE) tool will be rejected with direction to submit applications through [Provider Flex](#).
