Nevada Medicaid Web Announcement 3854

Claims That Denied with Error Code 6511 Have Been Reprocessed

Some claims submitted with or without add-on codes may have paid incorrectly or denied with error code 6511 (Add-on code billed without primary). These claims have dates of service on or after January 1, 2026, and were processed on or before February 18, 2026. Impacted claims have been reprocessed automatically.

Results of any reprocessed claims appear on the remittance advice dated March 13, 2026.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
