Attention Behavioral Health Outpatient Providers: Rate Updates Effective January 1, 2025

Attention Provider Types 14 (Behavioral Health Outpatient Treatment), 26 (Psychologist), 82 (Behavioral Health Rehabilitative Treatment), 86 (Specialized Foster Care), and 93 (Substance Use Treatment):

Effective January 1, 2025, rate updates have been implemented for the procedure codes described below.

The rates for the following codes have been increased as a result of State Plan Amendment approval 25-0013 for recipients under 21. Claims for certain psychotherapy, Basic Skill Training and Psychosocial Rehabilitation codes will receive an increase to base rates including a 10% rate increase to the new base.

In addition, claims for these codes will receive a 10% rate increase if the member has a rural residential address and a 5% rate increase for home services. Claims for in-home services must be submitted with Place of Service Code 12 - Home. Claims for members living in rural areas and receiving home services will receive a combined 15% rate increase.

Claims for Peer Support will receive an increase to \$15 per 15 min unit and \$3 for H0038 with HQ modifier.

Claims for Specialized Foster Care will receive a 10% increase to base rates with a 10% rural add on.

Outpatient behavioral health claims for the codes listed above that have dates of service on or after January 1, 2025, and paid the incorrect rate will be reprocessed automatically to pay the correct rate. Rural and in-home rate enhancements will also be applied to claims that qualify.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
